In submitting this Request Form the Owner/Applicant acknowledges that you understand and agree: (please initial)

1. That approval by the Design Review Committee (the "DRC") shall in no way be construed as to pass judgment on the correctness of the location, structural design, suitability of water flow or drainage, location of utilities, or other qualities of the proposed change being reviewed.
2. That approval by the DRC shall in no way be construed as to pass judgment on whether the proposed change being reviewed is in compliance with the applicable building and zoning codes of the City of Greeley.
3. That the DRC shall not make any investigation into title, ownership, easements, rights-of-way, or other rights appurtenant to property with respect to architectural or landscape requests.
4. That approval of any particular plans and specifications or design shall not be construed as a waiver of the right of the DRC to disapprove such plans and specifications, or any elements or features thereof, in the event such plans are subsequently submitted for use in any other instance.
5. That no work on the proposed change shall begin until written approval of the DRC has been received by me; that, if work is begun prior to approval, I may be required to return the property to its former condition at my own expense if this Request Form is disapproved wholly or in part, and I may be required to pay all legal expenses incurred.
6. That there shall be no deviations from the plans, specifications, and location approved by the DRC without prior written consent of the DRC; any variation from the original Request Form must be resubmitted for approval.
7. That I authorize members of the Committee or managing agent to enter upon my Property at times mutually agreed to in order to make one or more routine inspection(s).
8. That construction or alterations in accordance with the approved plans and specifications must commence within 6 months of the approved date of this Request Form and be completed within 12 months of the approved date, otherwise, the approval by the DRC shall be deemed conclusively to have lapsed and to have been withdrawn.
9. That it is my responsibility and obligation to obtain all required building permits, to contact Colorado 811 for utility locates and to construct the improvements in a workmanlike manner in conformance with all applicable building and zoning codes.
10. That all construction done will proceed in an orderly and timely manner during normal working hours and at acceptable noise levels as defined by the City of Greeley Municipal Article II Chapter 9.24 and Chapter 9.28. Material placement in public streets is prohibited.
11. That it is my responsibility and obligation to obtain prior written approval by the DRC if access point for any improvements are on Westgate Metropolitan District improvements, green space, or community property.
12. That I am responsible for any damage and all costs to repair public improvements, Westgate Metropolitan District improvements, green space, or community property that results from the proposed modification.
13. That I will maintain proper drainage swales on the lot when installing landscape or building improvements while keeping in mind site lot setbacks and all utility easements.
14. That all improvements will be designed and constructed to conform to the overall drainage plan for my residential lot and all neighboring lots and that no established drainage pattern will be affected by these improvements.

A Review Fee may be required with all initial improvements or substantial modifications Request Form submittals. The fees, made payable to Westgate Metro District, are due at the time the Request Form and plans are submitted for review.

Generally, driving vehicles, including wheelbarrows, across District property is not permitted. However, when circumstances warrant, the DRC will consider requests provided that prior approval is requested, and the Owner advances funds as may be reasonably required by the Board of Directors to repair any damage.

The DRC will review each request for architectural or landscape approval and approve and/or disapprove in writing each such request (which may be with conditions and/or requirements).

All proposed structures should include either elevation drawing with dimensions and materials or “information cut sheets” from the manufacturer. It is especially important to include the location of the improvement in relation to the lot line and structure.

LANDSCAPE IMPROVEMENTS:

- Plans should be submitted to scale of 1 inch = 30 feet, minimum. **NOTE: The width of your lot must be included on this plan.**
- Plot Plan, Foundation Plan, Engineering Plan or Grading Plans can be used as a base for proposed Landscape Design
- Submittals are highly encouraged to depict the full yard showing the proposed Landscaping/Deck/Patio/Fence shown in context with the house, the property line and adjacent neighbors.
- Please use the words “existing” or “proposed” so that the ARC knows what is already in place or what is proposed as new.
- All landscape design plans must include species and quantity of plants and meet the minimal requirements by rear lot width size.
- All Fence plans will require material, height and color/stain information and must comply with the fence guidelines including preservative treatment.
- All trees/shrubs should be located so that their mature spread/width/canopy does not encroach on neighboring properties.
- All paths, patios, rock beds, mulch beds will require specific material information to include type of rock/stone/mulch and color.
- Pictures and additional product information is helpful in gaining immediate approval.
- Decorative walls and sitting walls require dimensions as well as material and color information.
- All privacy screens will require dimensions as well as material, color, and exact location details.
- All wood-built structures, including but not limited to, a trellis, deck, pergola will require wood species and stain color information for approval.

ARCHITECTURAL IMPROVEMENTS:

- Plans should be submitted to scale.
- Floor Plan, Foundation Plan, Engineering Plan or Exterior Elevations can be used as a base for proposed Architectural Improvements.
- Submittals are highly encouraged to depict the improvement in plan and elevation showing the proposed improvement in context with the house, the property line, and adjacent neighbors.
- Please use the words “existing” or “proposed” so that the DRC knows what is already in place or what is proposed as new.
- All improvements will require material and color information as well as dimensions. Pictures and additional product information is helpful in gaining approval.

EXTERIOR PAINT IMPROVEMENTS:

- Color selections should be submitted to the DRC in the form of manufacturer’s paint chips. Digital copies will not be accepted.
- Explanation of where each color will be applied.
- Exterior photo(s) of the home in its current state along with exterior photos of the adjacent homes on either side to avoid replication/duplication.
- Note: Photos from Google Earth/Maps will not be accepted as they may not represent the house with current colors.
